SAVE THE DATE for our 50th Anniversary Iron Pour! June 5, 4:30-9:00 PM, Northglenn Recreation Center

An Iron pour is part art and part performance. Witness molten iron being poured into sculpted blocks, resulting in one-of-a-kind pieces. Before the concert - make your own piece of art. Following the concert, watch the iron pour art performance.

Our community iron pour will take place in conjunction with the first Northglenn summer concert of 2019! Starting at 4 pm, attendees can scratch their own block for a take home piece of art. The concert will feature Thumpin'. Following the concert will be the performance art by Jesse Blumenthal.
